FOR IMMEDIATE RELEASE

FacilitaIT Announces the Grand Opening of Our New Rohnert Park Office

FacilitaIT, an information technology solutions provider, announces the opening of its new office in Rohnert Park. The office will be open for business on November 5, 2007. “Our growth in Sonoma County has been phenomenal. By opening the Rohnert Park office, we can quickly service our new clients and tap Sonoma County’s highly skilled workforce” says Bill Potter, the President of FacilitaIT.

FacilitaIT is a network integration company that specializes in: VoIP telephony, managed services, network security, and thin client technologies. FacilitaIT combines products from industry leaders like Cisco and Microsoft with the knowledge and experience of our engineers to provide best of class solutions for your business needs.

FacilitaIT offers free consultations to help your business make the right technology decisions.
